| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?                                      | \$500 Individual / \$1,000 Family<br>Applies to Inpatient Hospitalization,<br>Outpatient Surgery and Emergency<br>Room. Deductible is EMBEDDED.<br>Deductible is WAIVED for Penn<br>Medicine facilities and hospitals. | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  When Health Plan members go to a Penn Medicine facility or hospital, their services are NOT subject to the Deductible.   |
| Are there services covered before you meet your deductible?          | Yes. <u>Preventive care, non-hospital and other</u> services are covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other deductibles for specific services?                   | No   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Medical Limit - \$1,500 Individual<br>\$3,000 Family per plan year<br>Rx Limit - \$1,000 Individual<br>\$2,000 Family per plan year  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, health care this plan doesn't cover; and noncompliance penalties.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?             | Not Applicable   | For help finding a provider, see <a href="https://www.homesteadproviders.com">www.homesteadproviders.com</a> , or call 855-897-4816.  |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No   | You can see the specialist you choose without a referral.   |
